

Branch of Service to the World report for presbytery February 21 meeting

Our committee continues to lay fallow. We have galvanized around a possible mission trip to First Presbyterian Church of Hammond LA with Presbyterian Disaster assistance, but have yet to have a leader on the ground come forward. Jessie Myers is coordinating the details, and willing to gather applications etc, but cannot travel with the group.

Dates: June10-June17/18

Who: anyone in Maumee Valley Presbytery (youth 12-15 can even participate if accompanied by a parent!) Max 20 people.

Cost: Approx \$300

Everything is set up once you get there. The local church hosts us and a local organization coordinates our service work. We will need to cook our own meals.

WE NEED SOMEONE TO LEAD ON THE GROUND. Contact Jessie Myers at [jmyers691@gmail.com](mailto:jmyers691@gmail.com) if you are interested.
