

MVP Ministers, Commissioned Ruling Elders, Ruling Elder Commissioners, Corresponding Members, and other voting members of Presbytery:

Grace and Peace to you!

Our upcoming MVP Stated Meeting via Zoom begins on Tuesday, February 15 at 10:00am. There will be a pre-meeting workshop from 9:15-9:45am with Rev. Luke Choi from the Board of Pensions, geared towards retirees and those close to retirement.

To participate fully will require some ability to use several ZOOM features. Many of us participated in previous virtual presbytery meetings and may already be familiar with Zoom features, but others of us may not. However, you need to be willing to learn as well as have access to a PC, Mac, Tablet or smartphone equipped with a camera and microphone in order to fully participate. If you need to attend an Orientation/Training Session, these events are by appointment only. Contact Matt Meinke, General Presbyter at matt@maumeevp.org or call his cell 609-216-0093

No registration for this presbytery meeting is needed.

On the 15th, simply click the link below to join the meeting. If you are experiencing difficulty on that day, our Zoom Troubleshooter is Rev. Cathi King – cell 734-306-3585

Clerk Boundary Training delinquency (attachment 6F)

Dean McGormley

It is the policy of MVP that all ministers receive boundary training at least once every three years and that the clerk has been given the duty to keep the LIST. The committee working on the training and recording of the participants has produced records of attendance as of December 2021. At this time the clerk is reporting to MVP that he will communicate with the ministers/sessions where a called minister is delinquent strongly encouraging training in 2022. Where there are ministers and CRE'S in a temporary relationship, a letter will go to the Session copied to the minister stating that the failure to get boundary training for the pastor in 2022 risks the leadership commission's denial of the renewal of the annual contract. Central Support approved the clerk sending of these letters.

Regarding retired pastors It is complicated and the clerk wishes to spend time with Matt Meinke, MB McCandless, and Ann Wasson as we consider what to recommend.

Boundary training three year rule

The committee working on the training and recording of the participants has produced records of attendance as of December 2021. (attached) At this time the clerk is reporting to MVP that he will communicate with the ministers/sessions where a called minister is delinquent strongly encouraging training in 2022. Moderator's Report – David Montgomery

As Moderator of MVP, David hopes to find ways that we might resource one another within the presbytery. It was stated that this might be a task that Discipleship could work on with David.

General Presbyter Report - Matt Meinke

Matt raised many pastoral concerns about members of the presbytery facing everything from Covid illness to surgery.

He also reported that the Pension Board is adding a benefit in April called Care Navigation. In addition, he reported a number of new ministers coming to MVP that will be welcomed by Leadership at the February meeting and that there was a zoom gathering of the clerks with Dean as we went over end of year reports and keeping the rolls for the church.

The Session review of minutes is coming up and Lance Weisman is in charge.

Delinquent Per Capita Task Force Report - Ed Bettendorf

Ed reported that although progress is being made with a number of churches whose Per Capita is delinquent, there seems to be a desire to settle for a portion of monies owed instead of the total amount. He and his committee will continue to work.

General Presbyter Report

February 2022

For our Common Life:

1 Cents-ability The Presbyterian Hunger Program is hard at work fighting hunger and food insecurity. Many of you have historically been a part of Maumee Valley Presbytery's Two Cents a Meal Program we focused on a lot in the late 90s and 2000s. Now known as Cents-Ability, it is a small first step in the battle against hunger and poverty. But the great part about it is that it potentially involves every congregation and ever congregant in the whole presbytery. It is a quick easy thing that we can ALL do to fight hunger TOGETHER.

So I challenge you to resurrect your Cents-ability Program

and get folks in your congregation activated. Right now the only churches regularly sending these mission dollars is FPC Huron, FPC Celina, and Bluffton PC. I want to add your church to that list! This is the easiest way for us to come together in mission and in our Matthew 25 identity! Consider taking my report to your next Mission meeting as this really could be an easy addition to your Mission Project line up.

Here are some ways to get your congregation re-activated: This could mean taking a “Two-Cents-A-Meal” offering every time you all eat together at the church. (A lot of churches are doing “Nickels for Hunger”, or “Penny Power” and challenge people to donate whatever change they have in their pockets at the time). You can put out containers on every table at church, and the website listed below has Offering Container Labels for download, and Table Tent downloads. There are posters which can be ordered free by calling (800) 524-2612 (PDS #74360-01-326). There is a space on the poster for your program name, message, or contact info for the Elder for Mission who is coordinating this. Check out: <https://www.presbyterianmission.org/ministries/compassion-peace-justice/hunger/nationaldevelopment/what-cents-ability/>

There are so many wonderful resources there! There is a downloadable Guide for the leader of this in your congregation (39 pages). There are also Table Graces and Prayers, Hymns, and a Sharing Calendar.

Here is how your money is used in Maumee Valley Presbytery:

- 25% of the money you keep and use in your local area to fight hunger
- 25% goes to the Presbyterian Hunger Program for worldwide ministry
- 50% goes to Maumee Valley Presbytery for special hunger programs for people in Ohio and Michigan.

In 2021, the Presbytery distributed monies proportionally to help out:

- **South Michigan Food Bank** (in MVP covers Lenawee County)
- **Gleaners Community Food Bank of Southeastern Michigan** (in MVP covers Monroe County)

- **The Toledo Northwestern Ohio Food Bank** (covers eight counties (all MVP) Defiance, Fulton, Henry, Lucas, Ottawa, Sandusky, Williams, and Wood)
- **The West Ohio Food Bank** (covers Paulding, Putnam, Hancock, Seneca, Van Wert, Allen, Hardin, Wyandot, Mercy, Auglaize, and Shelby County)
- **Second Harvest Food Bank of North Central Ohio** (In MVP, covers Erie Co.)

Look at what we can do together to fight food insecurity!! Join me.

2 Presbyterian Historical Society

At the Clerks Gathering that Dean hosted in January, I got talking about the joys of the Presbyterian Historical Society. It continues to be one of the resources available to you as a PCUSA congregation. This includes records management and preservation services, which is a service you have already paid for by your per capita dollars! So let's use it!

You too can send all your old records to them, to be preserved for all time. They are kept in temperature controlled rooms that are almost like vaults. It is impressive and second only to the Library of Congress in terms of size. Please consider utilizing this important archive. www.history.pcusa.org

3 Presbyterian Mission Connections

We used to have a Mission Yearbook every year. From worshipping with whole bunch of you all, I am sensing that a bunch of us are not connecting as deeply to the amazing and rich stories of our world mission co-workers as we could be. Please check out

<https://www.presbyterianmission.org/ministries/mission-connections/>

There you can discover feature stories and videos of mission co-workers, subscribe to their newsletters, find a Mission Personnel Guide, as well as information about how to host them virtually or schedule visits. If you are the Mission Elder at your church, check this page out, subscribe to the news there, and share abundantly.

There is also a 44-page strategy report from the 10 Mission Consultations that our denomination held around the world, and of which I was a part on behalf of the Synod of the Covenant, in 2018-2019.

ALSO.....

One Fund for Mission Co-Workers – A message from Rosemary Mitchell, Mission Engagement and Support – You may want to pass this on to your Treasurer or Accountant!

Effective January 1, 2022, the Presbyterian Mission Agency has moved to funding all PC(USA) mission co-workers through one fund. Rather than giving to a host of individual funds, all gifts may now be made “in honor of” specific mission co-worker(s). As always, mission co-workers will receive a monthly report on gifts received in their honor and will gratefully acknowledge them.

Congregations are asked to use #D500115 and individuals to use #E132192. You can read more in the Presbyterian News Service story. <https://www.presbyterianmission.org/story/presbyterian-world-mission-adopts-new-funding-system-to-support-mission-co-workers/?fbclid=IwAR32-IOlb0sQi8GzEzNIBiy0TTjZ87WVR-IEchcJv6tAZYmW9A4fpvt8974>

4 Matthew 25 & La Conexion in Bowling Green

We are a Matthew 25 presbytery. The Mt 25 Mission Grants have provided some of you with the impetus you have needed in these challenging COVID times, to embrace some new mission initiatives.

Along those lines, I wanted to pass on an exciting development and connection to our Mt 25 identity. Recently, I received word of an Award Letter by the Presbyterian Committee on the Self-Development of People, who granted \$15,000 to La

Conexion, which is a 501(c)3 housed at FPC Bowling Green. Beatriz Maya, the founder and Lead Coordinator of La Conexion, will be using these monies to amplify their ministry which is a welcoming resource of unity, empowerment, and representation for the LatinX community in Bowling Green and all of Wood County. I am thankful for Beatriz and this important ministry and their witness in and through the PC(USA) on behalf of the Self-Development of People. I am thankful for the work of Beatriz and others at La Conexion, and all those who are working for immigrant justice in our area. Feel free to check them out <https://www.laconexion.online/>

I believe La Conexion embodies the heart of this Matthew 25 train that I am encouraging us all to climb aboard.

What would it look like if we truly embraced who we are as a Matthew 25 Presbytery? I believe we would be making deeper connections with organizations like La Conexion.

Leadership Commission

Report to Presbytery, February 15, 2022

Recommendations:

1. To validate the ministry of the Rev Stephen Speakman as CPE Educator and Program Coordinator at Mercy St Vincent Hospital, Toledo, Ohio, and enroll him as a member at large of Maumee Valley Presbytery.

(The Commission has requested his transfer from Atlanta Presbytery and is ready to enroll him as a member at large in Maumee Valley Presbytery. He met with the Exam Team of the Commission in December and we unanimously approved him for membership. Stephen plans to joins our Zoom Presbytery meeting today)

2. To amend the paragraph in the Operational Procedures portion of the Manual of Operations, beginning after line 240 as follows:
Leadership Commission: The Leadership Commission (formerly Committee on Ministry) shall be composed of at least ~~six (6)~~ nine (9) members, composed of ministers and ruling elders. The general presbyter and stated clerk are ex-officio members, without vote.

(this would made a nine member commission, one new member to be added to each class for nomination purposes.)

This is the first reading of the proposed change; we recommend a vote on this change at the May 2022 meeting of Maumee Valley Presbytery.

Goings: Rev Dave Aber to Eastminster Presbytery. He is to serve as Interim at Akron Westminster and Eastminster requires him to move his membership to them.

From: Susan Rowland Miller
Subject: Vision Team of Leadership Commission

Our vision: Every Session within the presbytery will, at any point in time, be able to articulate their sense of mission and their next steps in their journey as the body of Christ.

Our goals:

1. *As a Matthew 25 presbytery, equip leaders in MVP, especially Sessions, address the seventh signs of a vital congregation, Ecclesiastical Health.*
2. *Help congregations actively imagine and plan for their futures.*
3. *Encouraging all congregations to use Holy Cow's Congregational Assessment Tool (CAT) or Conversations (for smaller congregations).*

Members: Jeanne Gay, Tom James, Julie Kling, Mary Beth McCandless, Susan Rowland Miller, and Ann Wasson

The Team will host a Zoom “gathering” immediately following the Presbytery meeting for anyone to share and discuss the questions and challenges their Sessions and congregations are currently addressing (or should be addressing). From the information gathered during this time, the Vision Team will offer to meet with congregations, offer Zoom meetings during the week on specific topics for dialogue and input, and/or offer breakout groups at future Presbytery meetings.

We continue to seek opportunities to discuss shared staffing arrangements, shared ministry opportunities, shared space possibilities or some combination of these three with congregations. The Team encourages Sessions and Pastors to reach out to Team members to help facilitate discussions that look beyond siloed approaches. With only 21 churches out of the 60 active churches in our Presbytery calling full-time ordained clergy, there is a great deal of opportunity for the other 37, along with the 21 to look into new configurations and visions for ministry.

The Team also encourages the Leadership Commission and the Presbytery to consider staffing opportunities supported by the entire Presbytery. Such positions could include a “resident” interim pastor, an internship for recent seminary graduates, and a shared programmatic position focused on a specific need within the presbytery (such as technological support, faith formation, or strategic and missional planning).

There are four congregations, Defiance (First), Monroe (First), Ottawa (First) and Toledo Collingwood, in process of launching either Conversations or the Congregational Assessment Tool (CAT) and one other that has been approved for a scholarship, but has not yet begun to engage in the process. **The Team continues to encourage Sessions to consider using this assessment to listen to all their church's members at a time when gathering and hearing dreams and concerns is even harder than it was pre-pandemic.**

The next meeting of the Vision Team (which meets the third Thursday of every month) is February 17, 2022 at 10am.

ACTIONS TAKEN ON BEHALF OF PRESBYTERY:

1. Approved Request from Mary Beth McCandless (West Bethesda and West Eagle Creek Presbyterian Churches) for \$150 to assist with the purchase of *Follow Me* curriculum with the understanding that learnings will be shared with the Presbytery (see below.) 2021-01-18

RECOMMENDATIONS TO PRESBYTERY:

1. None

INFORMATIONAL ITEMS:

1. **Follow Me Curriculum** – Trials of this curriculum continue at First Presbyterian Tecumseh, West Bethesda and West Eagle Creek Presbyterian Churches. A Breakout Session at the November Presbytery meeting was attended by approximately 15 people, so there appears to be interest in this material. We will explore the possibility of offering a presbytery wide Zoom presentation of the Follow Me curriculum with commentary from people from the above congregations that have worked with the materials. Scheduling this in the Spring should be the most helpful for congregations that are planning for their fall curriculum.
2. **Spiritual Formation - 2022 Events:**
 - Feb. 19 First Presbyterian Church of Findlay. “Find Your Voice” part I. Nan Clancy and Clinton Miller responsible for planning and publicity.
 - Mar. 5 First Presbyterian Church of Findlay. “Find Your Voice” part II. Nan Clancy and Clinton Miller responsible for planning and publicity.
 - April 24-26 Retreat at Lial. “Shattered Grace” This retreat will focus on being spiritually formed through the creation of art. Mark Nafziger, potter from Sauder Village will be the main artist. The retreat will include hands on opportunities to create mosaics and other art. More details to follow. (Pamela Short responsible for speakers and publicity.)
 - October 9-11 Retreat at Lial. Subject matter will be on icons, drawing on Orthodox traditions; possibly “writing an icon.” Kevin Clancy is responsible for getting a speaker.
3. **Communion Training for Elders** – Bob Butcher conducted a training session in October at Bluffton Presbyterian Church and the session was videotaped and there are four sections which have been uploaded to the MVP YouTube channel as unlisted videos. If interested, please contact either Matt or someone on the Discipleship Commission who can provide you with the links.

TRIENNIUM UPDATE 2022

Where: Downtown Indianapolis at the Indiana Conference Center

When: Sunday, July 24 to Wednesday, July 27, 2022

Who: Students entering 9th grade in 2022 through 2022 high school graduates

Info: <https://presbyterianyouthtriennium.org/> This website will grow during the year. Now you can read about the PYT leaders—preachers, PYT band, rec leaders, choir director, etc. You are in for a treat!

UPDATE: We are waiting for information about a possible lower event registration fee. **Good news!** As of now, the cost of Triennium is \$515 for youth and \$535 for adults. Housing in hotel rooms is extra and may cost \$250 per person or less. Maumee Valley Presbytery will be working with you and your churches to help cover these costs, including pins, t shirts, transportation, and food on the days of travel. Many churches divide the cost three ways, between participant, home church and Presbytery. We do not want anyone to be excluded because of lack of funds.

What to do now?

Get preliminary commitments to attend from the youth of your church. **UPDATE:** Registration has been postponed until mid March and we at MVP have not yet set a deadline for payment. It is still important that you are identifying the group at your church that wants to attend and are putting together funding for them. We realize that the COVID situation is unpredictable, and you can be assured that the Triennium leadership is working hard to figure this out. Before registration opens, they will provide an official COVID policy including all precautions, requirements, recommendations, and protocols and who they worked with to come to these decisions.

IMPORTANT from our National Registrar: “What we can share today is that Triennium will be requiring that each participant provide proof of the most up-to-date vaccination available in accordance with the **CDC without exception.** After meeting with our COVID Medical Advisory Team and leadership of both the Presbyterian Mission Agency and Office of the General Assembly, we simply do not see a way to safely hold an event of our size without this requirement. We hope to offer a virtual option for those that cannot attend due to this decision. We will also be requiring masks, making strategic decisions about safety during mealtime, and be redesigning how we gather in order to allow for more distancing and decreased risk of transmission.”

Email, text or call your registrars with questions. We are also happy to meet with your group and families via Zoom at any time. Once we have more information in March, we will better be able to answer questions.

In Christ’s service,

Your MVP registrars
