**From our hosts:**

Grace and Peace to You!

There will be a meeting for all participants of the Kentucky MVP PDA Mission Trip at 2pm.

At 2:30pm, you are invited to a tour of the FPCT Rain Garden, led by Lee Walsh, chair of our Earth Care Team. We have been a certified PCUSA Earth Care Congregation for eight consecutive years. Lee will share ideas with you about how you can create a rain garden off your church parking lot to capture runoff and add to the beauty and life of your church grounds.

We'll be dining in table groups assigned by geographic proximity. We'll learn a little bit about the earliest Christian communities and dream together how we might creatively and collaboratively minister to the needs of our closest neighbors in the Way of Jesus.

We have been utilizing the PCUSA *Follow Me* Worship and Education curriculum since fall of 2021. Our presbytery worship has been adapted from the Intergenerational Worship Service of the *Follow Me* Practice: “Do Justice”. We will have sample curriculum books for you to see and we encourage you to try *Follow Me* with your own congregations!

Welcome to FPC Tecumseh!

Blessings—Cathi King
