About Us

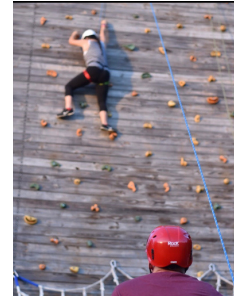

Kirkmont Center is an independent non-profit organization founded by the Presbyterian Church USA in 1963. Today we are a camp and retreat center serving public and private school groups, non-profit organizations, youth groups, sports teams, music and art associations, churches and faith based groups, families, businesses, and individuals. Our goal is to provide you with a renewing camp, outdoor education, or retreat experience.

Kirkmont – “church on the mountain” – is located in Logan County near Bellefontaine, OH and consists of 278 acres nestled among gently rolling hills and pine groves. The site includes a natural fen, two ponds (one for nature study and one for canoeing and fishing), trails, and natural ravines - a unique property that offers many opportunities for relaxation, renewal, recreation, and research.

What We Offer

Kirkmont Center is dedicated to giving youth an experience that builds self-efficacy, friendships, leadership skills, and connections with personal faith and nature. Each week at camp has different experiences for your camper including team building, games and activities, arts and crafts, swimming, nature exploration, music, dancing, play, evening fires and activities. Our full time and volunteer staff are specially trained to give your child the best experience possible. With 60 years of camping history and experience we strive to make every camper feel loved and welcome.

Our Facilities

We offer a more rustic residential camping experience in our cabents (cabin + tent). All cabents are close to bathroom and shower facilities as well as our main dining hall. All activities are within walking distance of the

cabent. We have 16 cabents, a pool, two bath houses, ponds, a mess hall, 3 residential

buildings, climbing wall, archery range, cageball arena, craft center, sports area, and sand volleyball court; as well as miles of hiking trails.
